

**AFP Foundation for Philanthropy – Canada
National Scholarship Program**

Information for Applicants

The Association of Fundraising Professionals (AFP) Foundation for Philanthropy-Canada Scholarship Program provides scholarships to recipients to attend and/or participate in a wide variety of self-selected educational programs that meet their individual professional development needs.

When completing your application, please remember that the committee assessing it will be most interested in your efforts as a volunteer and professional as they relate to fundraising. While the fundraising goals and impact of your organization are important, the questions contained herein are designed so that AFP can learn more about your goals, aspirations and accomplishments as a fundraising professional. Thus, as you provide information on your leadership, short and long term objectives and action plans, please keep in mind to focus on your profession. Personal goals and objectives are not suited to this application process.

Applications are welcome from all whose employment includes fundraising responsibilities in Canada, whether you are or are not a member of AFP.

Name:
Job title:
Organization:
Mailing address:
